

Circular

It has come to attention that the continuous use of Electric Heaters for heating purpose at Main Campus of GMC Anantnag has adversely affected the efficiency of Generator set and consequently caused abrupt power cuts affecting the overall functioning of the departments. However, keeping in view of the severe cold, the departments have been equipped with necessary heating arrangements (gas heaters).

It is hereby directed to all the employees of GMC Anantnag working at Main Campus Dialgam to discontinue the use of electric heaters to avoid any unwanted power disruptions.

Any violation of the circular hereafter will result in disciplinary action against the defaulter.

Muzaffar Ahmad Malik (JKAS)
Administrative Officer,
Govt. Medical College Anantnag
